When Little Company of Mary Hospital held an Open House on Tuesday, Jan. 3, to celebrate its first anniversary, two of the most welcome visitors were Duane and Bryan Williams, the twin boys of Mr. and Mrs. John Williams of 22606 Doble Ave., Torrance.

On Nov. 5, 1960, when the boys were born prematurely at the hospital, it was discovered that Duane had a rare malformation of the esophagus which prevented him from feeding. Although he weighed only 4 lbs., 7 ozs., at birth, it was necessary to perform surgery to correct the malformation and permit proper feeding.

CONSEQUENTLY, Duane was operated upon on Nov. 7, only two days after his birth. By Nov. 17 his weight had dropped to 3 lbs., 9 ozs., but he was beginning to respond to the constant attention he was given and his weight increased steadily thereafter.

On Dec. 16 his weight reached 5 lbs. and he was discharged from the hospital to join his brother, who had been discharged on Nov. 18. Since then he has continued to gain weight satisfactorily and he now appears to be in excellent condition.

ALTHOUGH DUANE did not seem to recognize the hospital

when he returned for the Open House he found that he had a great many friends there who were happy to hear of the wonderful progress he has been making. For he had captured their hopes and prayers during his 41-day stay.

Duane and Bryan were one of 21 sets of twins born at the hospital during the first year, and were among the 1550 babies born there after its Jan. 3, 1960, opening. More than 10,000 patients were cared for in the hospital during its first year.

IN COMMENTING on the hospital's first year of operation, Mother M. Patricia, the Hospital Administrator, stated

that "we owe a debt of gratitude to the people of Torrance and the South Bay area. They have accepted us into their community and placed their confidence in us."

"It is impossible for us to express adequately our appreciation to the many people who have unselfishly given of their time and efforts on our behalf, to the members of the Advisory Board who have advised and encouraged us since the inception of the building program, to the members of the Ladies Auxiliary who have given so many valuable hours of service throughout the hospital, and to the Junior Auxiliary members who have devoted their efforts to the making of colorful bedspreads and other useful articles for the Pediatric Department."

"IT IS ONLY because of this wonderful assistance plus the understanding and confidence of our patients and their families, the cooperation of our doctors, and the enthusiasm of our employees, that we have been able to overcome our growing pains and concentrate on our main objective, the care of the sick. Our expectancy of years of devoted service to the people of Torrance and the South Bay area is the only way in which we can attempt to repay the confidence, support, and trust that have been placed in us," she said.

TORRANCE ANNIVERSARY... First year anniversary of the Torrance branch office of Home Savings and Loan Assn. is being observed this week, Jerome B. Scott, manager, has announced. Located at 1511 Cravens Ave., the Home Savings Office occupies the former Torrance City Hall, which was extensively remodeled.

LOS ANGELES OPEN SET

The \$50,000 Los Angeles Open Golf Tournament moves into the third day of tourney competition Sunday, Jan. 8, and the action will be telecast live from 2:30 p.m. to conclusion of play on KTTV, Channel Eleven, as part of the station's big Sports Special package.

Calling the tense action for Channel Eleven viewers will be Bill Welsh, KTTV director of special events, at the 18th hole and television personality Don Lamond at the 17th.

The Los Angeles Junior Chamber of Commerce is sponsoring this first major tournament of 1961, being played at the Rancho Municipal Course on West Pico Blvd.

At the breakfast table, scrambled eggs can really hit the spot. Scrambled financial affairs, though, are something else again. That's why it is usually best to make a sharp distinction between money you invest and money you want to save—the money you want to have immediately available under all circumstances. Put your investments wherever you think they'll earn the best return. But keep your savings where you know they'll always be accessible—in the bank.
